In His Heart

Chapter 1 by Story Wars

He was the dumbest one in my grade. But I could see it. He was trying his hardest, but he just couldn't. He didn't have the courage. I was looking at him waiting, I knew he wanted to ask me something, but what? Did he want to ask me out? Get some pizza or something? I just couldn't figure it out.

[Excuse me, I'm sorry I forgot to introduce myself. My name is Melanie. I am an average teenager that goes to an average high school. I currently am in 10th grade. I wouldn't consider myself popular or a nerd. So I would just be a bystander. Back to the story.]

So he started to walk up to me, wanting to ask me something. He mumbled something that no one else could hear but me. He asked me out. I said yes not thinking what I was getting myself into. I had heard rumors, after the first date, he would just leave you. I wanted to explore and try to date different people, and out of all the people at my school I chose him.

Chapter 2 by Its.Camille Juarez

After hearing my answer, he just smile. But his smile caught me off guard, because he is just so

cute when he smile. Then I thought maybe our relationship would not be bad. It is possible that this is a good start for me.

Perhaps those rumors aren't true.

"Melanie?"

"Oh!, sorry I spaced out."

Looking at his face made me think that I am so lucky that he asked me out.

"Can I walk you home?"

"Yes, of course. Thank you."

As we walked hand in hand, I feel very contempt and simply happy.
